

# Selena & Robert

The vibrant colours of the Whitsundays served as inspiration and a stunning backdrop for the wedding of Selena Harvison and Robert Daly. Their venue was filled with meaning as it was one of their favourite holiday escapes and the site of Robert's proposal.

## Special Memory

Still having our grandparents around to celebrate and share their special day with and the beginning of our lives together. We are looking forward to following tradition and celebrating 60 years and more of marriage.
